## Speed Gates & Smart Lockers

### Access Control Speed Gate

Our Access Control Speed Gate ensures secure, efficient access control for high-traffic areas. It supports multiple authentication methods:

**Facial Recognition:** Touch-less, hygienic, and quick identification.

**RFID Card:** Reliable and straightforward card-based access.

**Wristband Access:** Convenient, hands-free access, ideal for various facilities.

Durable and reliable, the sleek design integrates seamlessly into any setting.

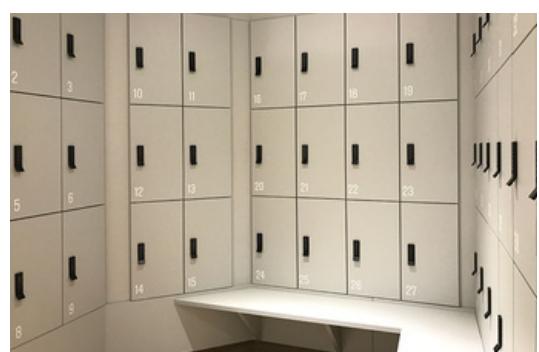

### Smart Locker

Energetic's Smart Locker offers secure and convenient storage solutions for various industries. It features:

**Card Access:** Secure, easy access via RFID card.

**Wristband Access:** Quick and convenient hands-free access.

Built with high-quality materials, our Smart Lockers provide user-friendly interfaces and customizable configurations, making them ideal for employee storage, gyms, and package delivery systems.
